Nordic Plus is a challenging cross-country skiing circuit up to 50 km long for very experienced cross-country skiers.

The demanding tour offers views of striking mountain ranges such as the Kaiser Mountains, the Loferer Steinberge and the peaks around Watzmann, Hochkalter and Blaueisspitze. The special plus of this tour: with the gondola, drag lift and shuttle bus, it can be shortened by half, depending on your wishes, experience and knowledge.

Thanks to these "ascent support" you can enjoy the Nordic Plus downhill runs even more, including the last stage between Seegatterl and the cross-country stadium, where you can slide another 100 meters downhill over 8 km. Cross-country skiers Tobias and Romy Angerer tested Nordic Plus with us and had a lot of fun during the photo shoot.

The times can vary slightly by up to 1-2 hours depending on equipment, performance, running technique and type of snow.
