Smugglers' trail Description: From the Geigelstein car park in Ettenhausen, or directly at the chapel in Ettenhausen, follow a wide forest path in the direction of Klobenstein past the Ruderburger See (detour). From the former border, a path leads uphill and downhill again to the Klobenstein junction. Here you can make a detour over the suspension bridge to the Klobenstein inn and church, or continue straight on to Kössen as planned.
