Highlights: Schwarzberg gorge, Unkenbach valley

From the starting point Winklmoos-Alm it goes first towards Möseralm / Muckklause, then only towards Muckklause.

We ignore Muckklause however and follow the signs towards Unkenbach / Unken. After a steep descent we cross the Unkenbach river. Here the tour continues uphill towards the Schwarzberg gorge.

As soon as we see a sign "Naturdenkmal" on the right, it is worthwhile to follow the forest path for approx. 50 m. After another 300 meters we come to the high Unkenbach bridge and from there follow the MTB signs to Möseralm.

The route leads past the Möseralm back to the starting point.

After crossing the border, orientate yourself on the signs. Furthermore, we recommend a navigation device (mobile phone, GPX device) and careful planning before the start of every tour!
