Highlights of the tour: Refreshments at alpine pastures, view to the Kaiser mountains, village views, nature reserves Winlmoos-Alm and Hemmersuppenalm, tour through the 3-country corner (Bavaria, Tyrol and Salzburg).

From the starting point tourist information you ride via Blindau to the Klausenbergalm and on to the Straubinger Haus. From there the route leads downhill to the Hindenburghütte and on towards the Nattersbergalm and Seegatterl.

From here uphill again to the Winklmoos-Alm and on to the Möseralm, where you can take a detour to the Kammerköhr. When you arrive back at the Möseralm, the path continues over the Loferer Alm to Unken. Here we choose the path towards Heutal valley to the Winklmoos-Alm.

Then it's all downhill to Reit im Winkl. Since this 90 km loop often crosses national borders and is located in 4 different tourist regions with different signage, we recommend that you ride according to the GPS track.

Orientation text: This tour runs in the border area of the Salzburger Land and Tyrol and is signposted by the tourism associations responsible there. After crossing the border, orientate yourself on the signs. Furthermore, we recommend a navigation device (mobile phone, GPX device) and careful planning before the start of every tour!
