Above all, the view makes this cross-border trail a very special cross-country skiing experience. The 5 km long, moderately difficult trail connects the districts of Birnbach and Oberbichl in Reit im Winkl with the area around the Peternhof hotel in Kössen.

In close cooperation with the Tourist Information Reit im Winkl and the Kaiserwinkl Tourist Office, a further cross-border sports offer between Bavaria and Tyrol is made available to all cross-country skiing enthusiasts. The unobstructed view of the Kaiser Mountains all the way to the Central Alps, as well as the view of the mountain towns of Reit im Winkl and Kössen accompanies sporty and leisure runners on this route. The two countries loop can be run in the classic and skating technique.
